This Agreement is made and entered into by and between the Board of Education, Holt Public Schools, hereinafter referred to as the Board, Employer or District, and the Ingham Clinton Education Association, MEA-NEA and its local affiliate, the Holt Education Association, hereinafter referred to as the Association.

ARTICLE I. Purpose and Intent

- A. The Board and the Association recognize that their joint objective is to provide a quality education to the students in the District; and that the quality of education provided depends upon the dedication, preparation, and morale of the teaching staff and upon the effectiveness and efficiency of the administration to maintain a desirable educational atmosphere.
- B. Being engaged in a mutual endeavor in the public interest, the Board and the Association encourage fair and harmonious relations between their respective representatives at all levels.
- C. In recognition of the foregoing, and pursuant to the requirements of Act 336 of the Michigan Public Acts of 1947, as amended by Act 379 of the Michigan Public Acts of 1965, the Board and Association herein set forth their Agreement with respect to rates of pay, wages, hours and other terms and conditions of employment for all individuals included in the bargaining unit as defined in Article II and who are covered hereby, insofar as such matters are not controlled by applicable Michigan Laws, such laws superseding anything which may be contained herein.

ARTICLE II. Recognition

- A. The Board hereby recognizes the Ingham Clinton Education Association, MEA-NEA as the exclusive bargaining representative, as defined in Section II of Act 379, PA of 1965, for all certificated personnel or professional personnel employed by the Holt Public Schools, whether on contract or on a per diem, hourly or a class rate basis, or on an approved leave of absence including school nurses and long-term substitutes employed directly by the Board in the same position for the same bargaining unit member for a period of at least 150 days, but excluding all other substitutes (specifically excluding EduStaff substitutes), Shared Time Teachers (specifically hired to service private and parochial schools), adult education personnel, supervisory and executive personnel, office-clerical personnel, and maintenance and operating employees.
- B. The term "Board" shall include its officers and agents.

ARTICLE III. Board Rights and Responsibilities

- A. The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitutions of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:
 - 1. To the executive management and administrative control of the school system, its properties and facilities and the activities of its employees including the services, supplies and equipment necessary to continue its operations;
 - 2. To hire all employees and subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment, or their dismissal or demotion; to determine the number of bargaining unit members employed; and to promote and transfer all such employees;
 - 3. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
 - 4. To decide upon the means and methods of instruction, and the duties, responsibilities, and assignments of bargaining unit members and other employees with respect thereto, and non-teaching activities, and the terms and conditions of employment.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board; the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited by and subject to the specific and express terms of this Agreement.
- C. The Board agrees not to discriminate and to provide equal employment opportunities with regard to age, gender, race, color, national origin, religious affiliation, disability, sexual orientation, gender identity,

gender expression, and/or other criteria as prohibited by law. The foregoing applies to all employees and job applicants in connection with recruitment, hiring, assignment, evaluation, promotion, transfer, demotion, discipline, layoff, or termination.

ARTICLE IV. Association Rights and Responsibilities

- A. The Association, on its own and its individual members' behalf, retains and reserves without limitation all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitutions of the State of Michigan, and of the United States.
- B. The Association shall have the right to use school building facilities for business purposes as follows:
 - 1. After school hours when a custodian is on regular duty and at times which do not interfere with regularly scheduled school activities or other pre-scheduled activities.
 - 2. Authorization shall be requested through the building principal prior to use when the utilization is before 3:30 p.m. After that hour, authorization shall be in accordance with Board Policy.
 - 3. Miscellaneous:
 - a. The use of school mailboxes, e-mail, and computers for official Association business, in accordance with the Board's acceptable use policy.
 - b. A bulletin board in the staff room for Association use.
 - c. Requests for use of other school equipment shall be made through the building principal in advance of the utilization in accordance with Board Policy.
- C. Duly authorized representatives of the Michigan Education Association or the National Education Association may have access to school facilities during normal school hours. In all cases of such visits, said representatives will report to the school office to announce their presence. Their activity shall not interfere with the instructional program.
- D. All regularly scheduled meetings of the Association shall be held after school on Mondays. The Board shall not require bargaining unit members attend meetings during regularly scheduled Association meeting times. Emergency situations take precedence over any other Board or Association meetings regardless of when scheduled.
- E. Association announcements will be permitted after building faculty meetings are completed.
- F. Upon request, the Board will furnish to the Association any available public information pertinent to collective bargaining concerning the financial resources of the District, purposes, allocations and other public information which will assist the Association in developing accurate and constructive programs on the behalf of the bargaining unit. The Association may make reports and recommendations to the Board regarding such matters if the Association wishes to do so. Public information which is necessary for the Association to process grievances will be made available. One copy shall be furnished. Original records shall be examined only in the Board office.
- G. The District agrees to provide up to 0.5 FTE release time to the HEA president [or their designee] for Union business provided that this time begins and/or ends at a scheduled break in student instruction. This time shall be covered by a substitute teacher or an employee selected by the District. The District shall be responsible for the cost of the release time to maintain the released member as a 1.0 FTE employee.

ARTICLE V. Teacher Rights and Responsibilities

- A. Bargaining unit members shall have access to their personnel files, which are located in the Human Resources Office. Such access shall be in accordance with state law. Said access shall be in the presence of the Director of Human Resources or their designee. A person of the bargaining unit member's choosing may be present, if requested. Written acknowledgment of the review shall follow each inspection.
- B. Complaints directed toward a bargaining unit member shall be called to the bargaining unit member's attention at the earliest possible time, but within five (5) working days, in writing, if a permanent record is made of such complaint.
- C. Bargaining unit members must be offered the presence of an Association Representative when being reprimanded, warned, disciplined, or involved in a disciplinary investigation subject to the provisions of section D of this Article.
- D. Nothing contained herein shall prevent verbal communication between administrators and bargaining unit

members without the presence of an Association Representative. The Association recognizes the need for a building principal to carry out responsibilities related to Board policy, the terms of the Master Agreement and for the exercise of good judgment by bargaining unit members. These functions of the principal are entirely separate from the bargaining unit member evaluation procedure; thus, the building principal confers with bargaining unit members. Such contacts including commending, praising, questioning, suggesting, directing, reminding, and correcting shall be termed casual and will not include the presence of an Association Representative.

1. If any verbal communication is intended by the administrator to be an oral reprimand which will be the basis for further disciplinary action, or if a written reprimand is to be issued in connection with the verbal communication, this intent shall be expressly stated as such, and the bargaining unit member shall be given a reasonable opportunity to request the presence of an Association Representative as an observer. No written reprimands shall be issued without verbal communication regarding the incident prior to or at the time of issuing the reprimand.
 2. The bargaining unit member will be provided with a copy of the written reprimand signed by the administrator issuing it before same is placed in the bargaining unit member's personnel file. The bargaining unit member may submit any written statement, signed by the bargaining unit member, which they wish included in the record.
 3. Reprimands issued under this Article may be the subject of a grievance within the terms and conditions of the professional grievance procedure set forth elsewhere in this Agreement.
- E. The Board recognizes the responsibility to continue to give administrative backing and support to its bargaining unit members leading to the attainment of an environment in the classroom which will enable the teacher best to perform their primary responsibility: the offering of desirable learning experiences. The following process will be applied consistently for all staff and students.
1. The teacher shall report to the principal the names of students who seem to need particular assistance of skilled personnel and those who are disruptive to the classroom environment and prevent the teacher from offering desirable learning experiences.
 - a. The teacher will submit a written statement of the nature of the problem, including the facts causing the teacher to file the report as well as a summary of the action of the teacher to correct the situation.
 - b. In both the case of particular assistance needed and the case of disruptive behavior, the situation will be studied and alleviated by school officials. In these cases, the teacher will be given a progress report as soon as possible and a written report of final action taken within ten (10) school days.
 2. Teachers have the responsibility to report situations in the learning environment that jeopardize the safety of students, staff, and/or property.
 - a. The building principal (or their designee) shall have the responsibility of investigating such a report and shall contact the teacher with a progress report within one (1) school day.
 - b. If the safety issue is the result of student behavior, the building principal shall remove the student from the classroom. Before the principal returns the student to the classroom, they shall inform the teacher in writing of the corrective measures taken.
 - c. If a bargaining unit member reports personal injury, the source of the injury shall be permanently removed from the classroom upon mutual agreement of the teacher and principal. If the injury is due to student behavior, the Board shall use all possible methods to prevent a recurrence up to and including expulsion of the student.
- F. Any case of assault upon a bargaining unit member which had its inception in a school-centered problem shall be reported immediately in writing to the Superintendent or their designee. In the event of such an assault, the Board will provide legal advice if the bargaining unit member requests it. No charge shall be made against a bargaining unit member's salary or leave time in case of time lost because of court appearances involving incidents stated in the paragraph above.
- G. Bargaining unit members are required to comply with rules, regulations and directions, from time to time adopted by the Board, or its representatives, provided that they are not inconsistent with the provisions of

this Agreement. The appropriate school administrator shall be informed of any situation where compliance with such rules, regulations, and directions would create an imminent hazard to health or safety. The administrator shall take any action necessary.

- H. A bargaining unit member shall not be reprimanded, disciplined, or evaluated for activities as a member of the Association.
- I. No bargaining unit member shall be disciplined without just cause within the limits established by the laws of the State of Michigan; however, this shall not be interpreted as restricting the Board's right to dismiss non-tenured or probationary bargaining unit members.
- J. In the event a request is made for information in a bargaining unit member's personnel file and said request is in accordance with the Freedom of Information Act (FOIA), normally, the Association and the bargaining unit member who is named in the FOIA request will be notified prior to fulfilling the request. The bargaining unit member will upon request, receive a copy of any and all information that is released pursuant to any such FOIA request. Should the bargaining unit member be absent from work or, should timeliness be at issue in fulfilling a FOIA request, the bargaining unit member who is named in the FOIA request will be notified by first class mail forwarded to the address on file with the Human Resources Office.
- K. Pursuant to the Michigan Public Employment Relations Act, the Board hereby recognizes the rights conferred upon employees and that every teacher employed by the Board shall have the right to freely organize, to join, and to support the Association for the purpose of collective bargaining and other rights given under the Act. The Board agrees that it shall not interfere with any employee's exercise of these rights and shall not discriminate against any employee by reason of Association membership or the exercise of these rights or any rights conferred under this Master Agreement. It is not a condition of employment for a bargaining unit member to become or remain a member of the Association or to financially support the Association.

ARTICLE VI. Payroll Deductions

- A. Upon appropriate written authorization from the bargaining unit member, the Board shall electronically transfer from the salary of any bargaining unit member and make appropriate remittance to one account at one financial institution and for contributions to United Way, Holt Education Foundation, the Holt Dependent Care Assistance Plan, MPSERS Tax-Deferred Payment [DTP] for purchased years of service credit, elective AFLAC options, and MESSA and MEAFS programs and options jointly approved by the Association and the Board which are not fully paid by the Board, tax sheltered annuities as defined under Section 403(b) of the Internal Revenue Code and which are in accordance with the Board policy, plans under Section 457 of the Internal Revenue Code, and any other plans or programs jointly approved by the Association and the Board.
- B. Remittance for tax-sheltered annuities shall be made within five (5) working days after each pay period in each month provided an invoice has been received by that date.
- C. Bargaining unit members may enter into a salary reduction agreement with the Board for the purpose of reimbursing dependent care assistance expenses in accordance with the Dependent Care Assistance Plan adopted pursuant to Section 129 of the Internal Revenue Code.
- D. Bargaining unit members may enter into a salary reduction agreement with the Board for the purpose of reimbursing health insurance premiums in accordance with the Health Insurance Salary Reduction Plan adopted pursuant to Section 129 of the Internal Revenue Code.
- E. Bargaining unit members who have unapproved absences shall have a prorated amount deducted from their contracted salary.
- F. Bargaining unit members may enter into a salary reduction agreement to purchase MSPERS service credit on a tax-deferred basis and the Board agrees to enter into any necessary agreements as may be required by MSPERS.

ARTICLE VII. Grievance Procedure

- A. A "grievance" is a claim, by one (1) or more bargaining unit members or the Association, of a violation or misinterpretation or misapplication of any provision of this Agreement.

B. General Conditions

1. Prompt processing of grievances is important. Therefore, all time limits stated in this procedure should be considered as maximums, and every effort should be made to expedite the process.
 2. Time limits may be waived only by mutual written consent of all parties to the grievance. Said written consent shall be signed and dated prior to the expiration of the time limit for which a waiver is requested. Any extension of time limits shall be for a specified number of days.
 3. "Days" as used herein shall mean workdays except that during the summer months when school is not in session, "days" shall mean Monday through Friday excluding holidays.
 4. A grievance which has not been filed within the initial time limit prescribed, will not be heard.
 5. Any grievance which is not appealed to the next higher step of the procedure within the time limit specified will be considered settled on the basis of the decision rendered at the last step heard. A copy of the settlement will be sent to the MEA Uniserv Director representing the HEA.
 6. Any grievance upon which no hearing is held, or no decision rendered, within the time limit specified will be considered automatically appealed to the next higher step of the procedure, effective with the expiration of the time limit.
 7. Beyond the initial step of this procedure, appeals by the Association shall be signed, and the Association shall be represented in hearings, by the Chairperson of its Grievance Committee, and/or such other person(s) who shall be designated in writing with authority to act on behalf of the Association.
 8. Should either party desire to be represented at any hearing under this procedure by legal counsel, it shall notify the other parties sufficiently in advance so that they may be represented by counsel also; and no hearing shall be held at which any party is represented by counsel unless the other parties are also represented or have waived in writing their right to such representation.
 9. Should the Association withdraw a grievance at any level, or should the grieving bargaining unit member(s) leave the employ of the Board, all further proceedings on said grievance shall be barred.
 10. The purpose of this procedure is to secure equitable solutions to grievances at the lowest possible administrative level. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
 11. Nothing contained herein will be construed as limiting the right of any bargaining unit member having a grievance to discuss the matter informally with any appropriate administrator and having the grievance adjusted without the intervention of the Association, provided the adjustment is consistent with the terms of this Agreement and provided further, that the Association has been notified of such adjustment.
 12. There shall be one (1) Association Representative for each building who shall be recognized as the official representative of the Association in grievance proceedings. The names of such representatives of the Association shall be furnished in writing to the Director of Human Resources as soon as possible after their appointment. No such representative shall act on behalf of the Association until the Director of Human Resources has been advised of their appointment in writing by the officers of the Association. Any changes in such representatives shall be reported to the Director of Human Resources in writing as far in advance as possible.
- C. Except as provided in Section B.11 above, all grievances shall be in writing. They shall contain the following information.
1. A statement of the facts alleging the violation, including the date when said alleged violation occurred.
 2. The section(s) of this Agreement which are alleged to have been violated.
 3. The relief requested.
 4. The signature or signatures of the grieving parties.
 5. The date upon which the grievance is filed.
- D. Step One: A grievance shall be filed within ten (10) days of the alleged violation, misinterpretation or misapplication of this Agreement.
1. The grievance shall be filed with the bargaining unit member's principal or other immediate supervisor.

2. The principal may, at any point prior to rendering a decision, refer the grievance to the next higher step in the procedure should the matter being grieved be beyond the scope of their authority.
 3. If the principal decides to hear the grievance, they shall, within ten (10) days of the filing of the grievance, hold a hearing thereon with the grieving bargaining unit member(s) and, at the bargaining unit member's option, the building Association Representative.
 4. Within ten (10) days after said hearing, the Director of Human Resources shall render a written decision thereon, transmitting a copy thereof to the Association, and filing a copy in a permanent file in the Human Resources Office.
- E. Step Two: If the decision of the principal is unsatisfactory to the grieving bargaining unit member(s) or the Association, the Association may file a written appeal to the Director of Human Resources within ten (10) days after receiving the decision of the principal.
1. Within ten (10) days of receiving an appeal, or a grievance by referral from the principal, the Director of Human Resources shall hold a hearing.
 2. Within ten (10) days after said hearing, the Director of Human Resources shall render a written decision thereon, transmitting a copy thereof to the Association, and filing a copy in a permanent file in the Human Resources Office.
- F. Step Three: If the decision of the Director of Human Resources is unsatisfactory to the Association, the Association, and only the Association, may file an appeal for mediation with the Michigan Employment Relations Commission, in accordance with the Commission's procedures and law. Such appeal to mediation shall be filed within ten (10) days after receiving the decision of the Director of Human Resources.
- G. Step Four: Should it be impossible to resolve the grievance in a mutually acceptable manner via mediation, either the Board or the Association may, within ten (10) days of the conclusion of mediation, appeal to arbitration.
1. Such appeal shall be in writing and shall be delivered to the American Arbitration Association and the other party within said ten (10) day period. If not so delivered, the grievance shall be abandoned.
 2. If the parties are unable to agree upon an arbitrator, they shall be appointed under the rules of the American Arbitration Association which shall likewise govern the arbitration proceeding.
 3. Neither party shall be permitted to assert in any arbitration proceeding, any ground, or to rely on any evidence, not previously disclosed to the other party.
 4. The arbitrator so selected will confer with the parties and hold hearings promptly and will issue a decision not later than twenty (20) days from the date of the close of the hearing. The arbitrator's decision shall be in writing and will set forth the findings of fact, reasoning, and conclusions on the issues submitted.
 5. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. The arbitrator's authority shall be limited to deciding whether a specific article and section of this Agreement has been violated and shall be subject to, in all cases, the rights, responsibilities and authority of the parties under the Michigan General School Laws or any other national, state, county, district or local laws. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under the law and this Agreement.
 6. The decision of the arbitrator shall be final and binding upon both parties.
 7. The arbitrator's fee and expenses shall be divided equally between the parties.
- H. Immediately after any grievance adjustment is made with an individual bargaining unit member, the Association will be given an opportunity to meet with the Board's representative to learn of the settlement of the grievance.
- I. Should the Association and the Employer resolve a grievance prior to any arbitration proceeding, the Association agrees to hold the Board harmless from any action pursued by an individual grievant.
- J. If any teacher has a complaint regarding any condition of employment covered by the Michigan Teacher's Tenure Act, such complaint shall be dealt with exclusively through the provisions of said Act, and the established procedures thereof unless a specific alternate provision is provided under this Agreement.
- K. If a bargaining unit member has a complaint regarding any term or condition of employment which also

may be brought as a complaint through the judicial system or through an administrative agency, including but not limited to the Michigan Department of Civil Rights and the Michigan Department of Labor, the bargaining unit member shall either grieve the matter or pursue same in another forum. Should the bargaining unit member institute an administrative proceeding or court action against the Employer simultaneous to or in advance of filing a grievance, they shall be deemed to have waived the right to grieve such complaint as provided herein.

- L. Bargaining unit members required to participate in negotiating meetings, grievance meetings, or arbitration hearings, shall suffer no loss of pay in connection with time lost as a result of participation in such meetings, when any of such meetings are scheduled by the Board to be held during the bargaining unit member's normal working hours.

(Michigan Administrative Rules for Special Education-MARSE) (Intermediate School District-ISD)

- b. A staff member that has a blended assignment will have a maximum proportional to their assignment. For example, a teacher who is 0.8 TC and 0.2 Resource room will be entitled to an overload payment when their total caseload reaches 25 (0.8 x 27 + 0.2 x 20).
5. Weighting:
- a. For purposes of determining class size, students in regular education classrooms at kindergarten for two hours, 45 minutes per day and at grades 1-6 for three (3) or more hours per day will be assigned a weight of two (2) students if they have been certified eligible for a special education program by an Individual Education Plan (IEP) (except speech and language).
 - b. In grades 7-12, students certified eligible for special education by an IEP (except speech and language) will be assigned a weight of two (2) students except that weighting will not apply to band, choir, physical education or any class of 24 or fewer students.
 - c. In grades 7-12, for purposes of determining class size in laboratory classes, students certified eligible for special education by an IEP (except speech and language) will be assigned a weight of two (2) students. The student count shall not exceed the number of laboratory stations and the weighted student count shall not exceed thirty-one (31). The above limitation that weighting will not apply to a class of 24 or fewer students does not apply to this laboratory class paragraph.
 - d. Students who are entering kindergarten from the pre-primary impaired program will be assigned a weight of two (2) students for one (1) year, if they have been certified eligible as language impaired by an IEP in the Early Childhood Special Education program.
6. In all grades and buildings, individual class size and teacher/student loads will be balanced and adjusted among parallel classes. For elementary (K-6), parallel classes refer to classes in the same building of the same grade level and for secondary (grades 7-12), parallel classes refer to classes that are the same course taught in the same instructional hour.
- a. Parallel classes will not exceed a variance in class size (weighted count) of more than three (3) by the second Friday of the school year for grades K-6, or on the first day of each year for 7-12.
 - i. The three (3) student count variance shall not be used to exceed the class size maxima set forth at Section B.1 of this Article.
 - ii. For K-6, an exception to this variance may be made if a non-probationary bargaining unit member with the larger class count agrees to a larger variance than a three (3) student(s) count. Communication with same-

- grade teachers and agreement to the larger variance will be documented prior to the variance occurring.
- iii. For 7-12, parallel classes shall be in compliance on the first day of a new academic term.
 - b. The number of students who are certified eligible for special education by an IEPT (except speech and language) will be balanced among parallel classes as nearly as possible (i.e. within 1).
 - c. Greater variance may exist thereafter, and students who transfer into the District during the school year shall be assigned so as to maintain said balances as nearly as possible.
 - d. If a building uses a teaming model, every attempt will be made to adhere to the language set forth in Article VIII. B. In such a building, if it becomes impossible to balance parallel classes without compromising the intentional nature of the teaming, a greater variance than 3 may exist so long as the variance is as balanced as possible amongst parallel classes (same classes and periods). This provision related to teaming will also apply to the balancing of students with IEPs as long as the imbalance does not exceed a variance of 2.
 - e. A survey of the number of students assigned to each teacher in grades K-12 shall be conducted on the second Friday of the school year and on each Friday thereafter throughout the school year when school is in session. An exception to the foregoing is that in Grades 7-12, the survey at the beginning of each academic term will be delayed until the second Friday of said academic term.
 - i. Within three (3) working days of the survey referenced above, a decision will be made as to the appropriate adjustment(s) in each case.
 - ii. Adjustments in connection with student loads will be implemented as soon as possible, but within seven (7) working days of the decision referenced above.
7. If a class exceeds the indicated class size maxima, one (1) of the following alternatives will be agreed upon and recommended by the building principal after consultation with the teacher(s) involved.
- a. If classroom space is available in the building, an additional teacher may be employed, and the students reassigned accordingly. In the event of necessity to resolve a class overload via creating an additional teaching position which the Board is obligated to fill by recalling a teacher from layoff, the time limits provided in Article XVI shall be controlling.
 - b. An additional teacher may be employed for "cooperative or team teaching" with the teachers at the affected grade level. Employment will be based upon posting the position and an interview by the principal and the affected teachers.
 - c. A clerk may be employed to provide the teacher with clerical relief as specified in a "clerical utilization plan" developed between the affected teacher(s) and the principal.
 - d. A teacher aide may be assigned on a half-time basis, i.e., three (3) hours a day for K-6 and to each overloaded class period for 7-12. The length of the assignment shall be equal to the number of days that the class size exceeded the contractual maxima. An aide already assigned to a classroom for purposes not related to the overload may not be used to rectify the overload status for this provision.
 - e. Should the affected teacher(s) and the building principal disagree with respect to the appropriate alternative to be recommended and implemented, the principal shall make the final decision for the foregoing provisions a through d.
 - f. Upon mutual agreement from the HEA President, the District, and the teacher with the class overload, said teacher shall be compensated \$1,000 as an alternative to the provisions at a through d.

- i. Elementary Specialist classes (i.e. art, music, Physical Education, etc.) shall be compensated \$100 per class over the class size maximum set for in section B.1. of this Article under this same provision, not to exceed \$1000 in any given school year.
- C. No teacher shall be required to perform the following extra-curricular duties which can be accomplished by non-certified personnel: bus supervision, safety patrol supervision, and building coordination of audio-visual services.
- D. It is recognized that the democratic values of our society can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for teachers and students is encouraged, provided the teachers, within the scope of their assignments, exercise such freedom within the framework of established curriculum practices and provided courses of study are followed.
- E. It is agreed that addressing the implementation of the least restrictive environment mandate is of critical importance. Section E shall apply to special education students who are entering a regular education class/classroom from a special education center program or a special education self-contained classroom program. It shall also apply to students who are identified as students with a disability who would qualify to be served by either program. Finally, it shall apply to students who are identified as students with a disability due to accident, trauma, etc. and who would qualify to be served by either program.
 - 1. Any bargaining unit member who will be providing instructional or other services to a student with a disability in a regular education classroom setting shall be invited, in writing, to participate in the individual educational planning committee which may initially place (or continue the placement of) the student in a regular education classroom. If the IEP meeting is held during the normal teaching day, the bargaining unit member shall be released from their normal responsibilities to attend.
 - 2. In situations where the involved bargaining unit member and administration mutually agree that it is not feasible to have each bargaining unit member who will be providing instructional services to a student with a disability in a regular education classroom setting be a participant in the individual educational planning committee which may initially place (or continue the placement of) the student in a regular education classroom, the involved bargaining unit members may select representative teacher/s to attend the IEP meeting.
 - 3. Should a bargaining unit member, working directly with the student with a disability advise the administration in writing of a reasonable basis to believe that a student's current individual educational plan is not meeting the student's unique needs as required by law, the administration shall call an IEP meeting. The bargaining unit member so advising shall be invited to, and will attend, the IEP meeting.
 - 4. In order to assure that the student with a disability will be allowed to participate in regular education programs and services to the maximum extent appropriate, no student with a disability will be assigned to a regular education classroom unless:
 - a. Teaching materials and equipment, support personnel and other related services as specified in the IEP to satisfactorily educate the student in the regular education classroom, are available.
 - b. The bargaining unit member is provided prior and continuing in-service training regarding the instruction and behavioral management of students with disabilities in the regular education setting, including the differing approaches, problems, and techniques to be utilized with varying conditions.
 - 5. When there is a request from a bargaining unit member who works directly with a student with a disability, regarding the assistance needed to implement the least restrictive environment mandate, the request shall be made in writing to the building administrator. The request shall specify the assistance needed. Within five (5) school days, the parties affected will meet with the building administrator and other appropriate resource personnel to discuss the request.
 - a. The parties shall hear and recommend solutions to the bargaining unit member's questions and concerns, the assignment and scheduling of students, supportive services and assistance, materials, the physical environment of the classroom,

training for the teacher and other issues as may be appropriate. If resolution does not occur, either an IEP meeting will be called or the grievance process will be initiated, whichever is appropriate. Additionally, the parties will address and make a determination as to whether an adjustment in class size is warranted both for the benefit of the student with a disability and for the benefit of the other students assigned to that particular class/classroom. This determination shall be subject to approval of the Superintendent.

6. Students with disabilities will be assigned to the buildings and classrooms that the students would normally attend unless otherwise stated in the IEP.
 7. The Employer shall provide and maintain liability insurance on behalf of each bargaining unit member who is expected or required to implement the least restrictive environment mandate in the course of their employment including extra-curricular activities. Insurance coverage shall include liability protection in an amount not less than currently set forth in the District's insurance policies.
 8. No bargaining unit member will be disciplined, reprimanded, discharged or denied any professional advantage, directly or indirectly, due to the bargaining unit member having: (1) filed a complaint under Part 8 of the Michigan Special Education Rules or with the office of Civil Right (OCR), U.S. Department of Education; or (2) asserted their rights or those of a student with a disability/student without a disability with respect to the provision of the least restrictive environment mandate as provided for in this Article or by law.
 9. When a general education classroom teacher is assigned a student from a special education program for severely impaired students (POHI, SMI, SXI, TMI, AI), the teacher shall not be expected to perform routine, scheduled maintenance of a medical appliance or apparatus used by the student to sustain their bodily functions nor render routine, scheduled care or maintenance of exceptional bodily functions related to the student's impaired condition. The teacher shall be informed and instructed as to emergency measures which may be necessary on occasion due to the student's impaired condition. It shall be the teacher's responsibility to implement the student's individualized educational plan for attending to the educational needs of the student while in the teacher's class.
 10. The administration agrees to arrange for a substitute in the absence of the student's regularly assigned aide. Should no substitute be available, the bargaining unit member and the building principal will, where appropriate, mutually make other arrangements.
- F. The following shall apply to regular education classrooms consisting of two elementary grade levels:
1. Both the sending and the receiving teachers shall make recommendations to the building principal regarding student placement for such classrooms.
 2. Teachers who are assigned to such classrooms may, in consultation with and the approval of the building principal, modify and adapt the curriculum based upon student needs and achievement.
 3. Teachers who are assigned to such classrooms shall be provided one (1) day of release time each academic term for planning.

ARTICLE IX. Calendar

- A. Calendars are attached hereto as Appendix C
- B. When weather conditions, mechanical malfunctions and/or other emergencies close schools to students, bargaining unit members shall not be required to report for work.
 1. When school is closed for the above reasons, the parties agree to make up only the amount of instruction time necessary to receive full state funding.
 2. A bargaining unit member intending to use paid leave time when school is closed for the reasons stated above shall suffer neither loss of leave time nor loss of salary.
 3. When school is closed for the above reasons, the Board will notify bargaining unit members by e-mail and/or telephone.
- C. When adverse conditions arise which affect a school and/or classroom environment (i.e., no lighting, heat below 60oF or above 85oF, no water, no fire alarm system, etc.), a plan to provide adequate educational facilities shall be shared with the bargaining unit member within 24 hours, and alternate and/or adequate

facilities will be provided within 48 hours.

- D. In the event any provision of this Agreement or change in circumstance or law creates a condition whereby the District does not meet any requirement to receive full state aid, the parties agree to negotiate change that would result in full state aid.

ARTICLE X. Curriculum and Extra Duty Positions

- A. The Board and Association recognize the importance of, and encourage bargaining unit member involvement in, school-based activities that occur outside the regular workday. Such positions receiving compensation are specified in Appendix B of this agreement. Other work not enumerated therein shall be considered voluntary and participation shall be at the sole discretion of bargaining unit members.
1. Bargaining unit members whose extra-duty position is eliminated by Board action and are thus involuntarily terminated from their employment in said position, shall be re-employed under this Appendix if the position is restored, or if they are re-employed at another level within the same activity.
- B. Vacancies and Renewal
1. Bargaining unit members shall remain in an Extra-Duty position in each successive school year unless vacated through resignation, or unsatisfactory written evaluation.
 2. Extra-duty positions must be filled with bargaining unit members also receiving compensation from Appendix A. Exceptions shall only exist in competition-based activities.
 3. Article XV shall apply to Extra-Duty positions.
- C. Payment
1. Percentage Extra-Duty positions are based on Appendix A. Years of experience in HPS in the activity shall equal the Step in the bargaining unit member's degree track. Those bargaining unit members not receiving compensation from Appendix A shall be placed on the BA degree track.
 2. For bargaining unit members receiving compensation from Appendix A, Extra-Duty payments shall be spread evenly during the 10-month pay plan regardless of employee selection under Article XVIII.
- D. Evaluation
1. Bargaining unit members will be informally evaluated by their supervisor on an annual basis. If improvements are deemed necessary by the supervisor, a written evaluation will occur. This written evaluation shall:
 - a. Be based on clearly communicated expectations and responsibilities.
 - b. Include specific
 - i. Areas for improvement
 - ii. Timelines for improvement
 - iii. Bargaining unit member self-evaluation
 - c. Demonstrate communication between the supervisor and bargaining unit member
 2. If improvement fails to occur over the course of two consecutive years/seasons, an unsatisfactory written evaluation will result in the member being removed from the Extra-Duty position.
 3. Written evaluations for Extra-Duty positions shall not become part of the bargaining unit member's personnel file or attached in any way to their "Professional Evaluation System" as outlined in Article XI.
- E. Other
1. Athletics positions are limited to those identified as Michigan High School Athletic Association (MHSAA) sports and shall be filled, supervised, and coordinated by the Athletic Director(s).
 - a. These Extra-Duty positions (coaches) are responsible for planning, organizing, and delivering an appropriate range of experiences for the athletes of their team. This includes supervising and guiding practice, training, and competitions.
 - b. The Athletic Director(s) will confer with other coaches involved in the particular sport to solicit mutual agreement prior to filling a vacant position.
 - c. Training and events taking place outside of the season defined by the MHSAA shall be considered voluntary and participation shall be at the sole discretion of the coach.

- d. Competition schedules will be structured to minimize events occurring during the workday. The Athletic Director(s) shall secure substitutes for each absence.
- 2. Teacher Leader positions shall be filled, supervised, and coordinated by the building Principal and Curriculum Director(s).

 - b. The Curriculum Director(s) and/or principal will confer with staff members involved in the particular curriculum group to solicit mutual agreement prior to filling a vacant position.
 - c. Bargaining unit members in these positions shall be either assigned a reduced teaching assignment or granted released time as needed and approved by the Principal and /or Curriculum Director.
 - d. Meetings for these Extra-Duty positions shall occur no more than twice per month outside of the regular workday.
- F. For purposes of compliance with Section 1527 of the Michigan School Code (Board Provided Professional Development), the parties agree as follows with respect to the professional development time not reflected in Appendix C:
 - 1. The Wednesday professional development time in grades K-12 will be counted. Any staff meeting component of this time will be excluded.
 - a. For planning purposes, the length of a professional development day for purposes of Section 1527 has been determined by the Michigan Department of Education to be the length of a full teacher work day as set forth in Article VIII (A). The content of the professional development days must meet the requirements of the Department of Education.

ARTICLE XI. Bargaining Unit Member Evaluation

- A. The negotiated evaluation system for bargaining unit members with students rostered to them shall be a rigorous, transparent, and fair performance system that includes:
 - 1. A clear approach to measuring student growth data that counts toward 20% of the total evaluation score, and will be gathered and calculated in a way that has been negotiated with the Association.
 - a. Student growth data will be based on measurable, long term academic goals.
 - b. Growth data assessments will be designed or selected by grade level/department chairs in collaboration with the Superintendent or their designee.
 - c. Growth data assessments will remain consistent year to year unless a concern is raised regarding the data collected, in which case the grade level/department chairs would work collaboratively with the Superintendent or their designee to resolve the concern.
 - d. The teacher shall be allowed to eliminate data attributable to students who have excessive absences (20% or more during unit of instruction), or who have other anomalous circumstances that warrant eliminating that data.
 - e. That data used in this section must be attributable to the assigned teaching responsibilities of the individual teacher.
 - 2. A negotiated year-end evaluation of the teacher's job performance that utilizes objective criteria for 80% of the year-end evaluation score, and that includes one formal and at least one informal observation.
 - a. The formal observation must include a pre-conference, the review of formal lesson plans, and a post conference with written feedback held within 10 school days of the observation.
 - i. The length of time of the formal observation must be for the duration of the lesson discussed at the pre-conference and never less than 15 consecutive minutes.

- ii. Unless identified as a deficiency in performance within an existing Individual Development Plan (IDP), bargaining unit members will only be required to submit formal lesson plans to an administrator for the day(s) they are being formally observed.
 - b. The informal observation must be at least 15 consecutive minutes.
 - c. Any observations must be scheduled 2 school days in advance, unless upon agreement of both the teacher and the administrator.
 - d. Both observations must include feedback for student engagement of the lesson observed; other elements may also be marked.
 - e. Both observations must include a review of the teacher’s lesson plan for the day of the observation and the state curriculum standard being used in the lesson.
 - 3. Specific performance goals identified by the teacher to improve their effectiveness in the upcoming school year.
- B. The negotiated evaluation system for bargaining unit members who do not have students rostered to them shall be a rigorous, transparent, and fair performance system that includes:
 - 1. A negotiated year-end evaluation of the teacher’s job performance that utilizes objective criteria for 100% of the year-end evaluation score, and that includes one formal and at least one informal observation.
 - a. The formal observation must include a pre-conference, the review of formal plans specific to the observation circumstances, and a post conference with written feedback, held within 10 school days of the observation.
 - i. The length of time of the formal observation must be for the duration of the observation discussed at the pre-conference and never less than 15 consecutive minutes.
 - ii. Unless identified as a deficiency in performance within an existing Individual Development Plan (IDP), bargaining unit members will only be required to submit formal plans to an administrator for the day(s) they are being formally observed.
 - b. The informal observation must be at least 15 consecutive minutes.
 - c. Any observations must be scheduled 2 school days in advance, unless upon agreement of both the teacher and the administrator.
 - 2. Specific performance goals identified by the teacher to improve their effectiveness in the upcoming school year.
- C. Observations of bargaining unit members that are intended to assist in their year-end performance evaluation shall be conducted as follows:
 - 1. Bargaining unit members shall be notified no later than September 30th of each year who the administrator will be that will conduct their year-end evaluation. If the designated administrator changes, bargaining unit members will be notified within 10 school days. If no notification is provided by September 30th of each year, that teacher shall receive an effective rating.
 - 2. Observations which count toward the year-end evaluation score in each school year the bargaining unit member is evaluated must be conducted a minimum of 30 calendar days apart.
 - 3. The first observation shall occur no later than December 20 of each school year.
 - 4. The annual performance evaluation system will assign a year-end rating of “effective”, “developing” or “needing support”. Performance goals will be documented in the comments section of the evaluation.
 - 5. Bargaining unit members will be invited to meet with the observing administrator at a year-end evaluation determination review by May 30th of each school year.
 - a. The invitation to the meeting may be extended via email.
 - b. The meeting will be held to discuss the written feedback that is in the observation tool as well as performance goals for next school year.
 - c. Bargaining unit members may choose to schedule an in-person meeting with the administrator or review the completed observation data and decline to meet.

- d. In the event there is no invitation to a year-end evaluation meeting as described above, the bargaining unit member shall receive an “effective” rating.
6. In addition to the above procedures (Sections C. 1-5), bargaining unit members who are evaluated using a formal Individual Development Plan (IDP) (received a “minimally effective”, “ineffective” prior to July 1, 2024, or “needing support”, or “developing” rating thereafter, and/or 1st year bargaining unit members) shall be provided the following:
 - a. Specific performance goals that will be used to assist in improving effectiveness for the next school year developed with consultation and agreement by the bargaining unit member.
 - b. Training and/or Professional Development to be provided by the district to assist the teacher in meeting the goals of the IDP.
 - c. A mid-year progress report, supported with at least two (2) classroom observations conducted and completed no later than February 1, that is used as a supplemental tool to gauge a teacher’s improvement from the preceding school year and to assist in any needed additional improvement that is aligned with the existing IDP.
 - d. An Instructional Coach that is informed of the conditions and requirements of the IDP in order to assist the mentee in the described performance goals of the IDP. In lieu of an Instructional Coach, an IDP Mentor Teacher will be assigned and shall receive an annual compensation of \$400.00.
 7. All bargaining unit members shall have the right to both an appeal as well as the right to submit a rebuttal to their evaluation which will be included in their personnel file and attached to the year-end evaluation.
- D. The process above will be applied annually to all bargaining unit members, with the exception of the following:
1. Bargaining unit members who work fewer than 60 days in any school year, or who have their evaluation results vacated through the grievance procedure, or are otherwise not evaluated due to extenuating circumstances the district deems applicable for exempting a teacher from the annual evaluation process as agreed upon by the Association. Said bargaining unit members shall receive an “effective” rating.
 2. If a tenured teacher has been rated “highly effective” or “effective” for three (3) consecutive year-end evaluations, they shall be evaluated every third year thereafter unless the individual teacher requests every two years. If the subsequent year-end rating is not “effective” on an evaluation following the third year, the teacher shall be evaluated annually until receiving an “effective” rating for an additional three (3) consecutive years.
- E. Rights of Tenured Bargaining unit members:
1. A tenured teacher who is rated as “needing support” shall have the following due process rights to challenge said rating:
 - a. The teacher may request a review meeting of the evaluation and the rating to the district’s superintendent or designee. Such request must be made in writing within 30 calendar days after the teacher is informed of the rating and a meeting with the superintendent, or designee, shall be held no later than ten (10) calendar days after receipt of the request for review. A written response to the review meeting with any modifications of the year-end performance rating shall be provided to the teacher within thirty (30) calendar days after the meeting.
 - b. If the written response does not resolve the matter, the teacher or the Association may request mediation through the Michigan Employment Relations Commission and provide a copy of that request to the administration.
 - i. The request must be submitted in writing with thirty (30) calendar days after the teacher receives the written response from the superintendent or designee.
 - ii. Within fifteen (15) calendar days of receipt of the request for mediation, the district shall provide a written response to the teacher and the association confirming the mediation will be scheduled as appropriate.

- c. A tenured teacher who receives two (2) consecutive ratings of “needing support” may demand to use the grievance procedure as outlined in Article VII.
- F. Training on evaluation system:
1. The district shall provide training to all bargaining unit members on the evaluation system prior to any observations that count toward the year-end evaluation score.
 2. Evaluators whose observations count toward the final year-end evaluation score must be trained administrators and may not be bargaining unit members. Each administrator who is assigned to evaluate bargaining unit members shall have a “rater reliability” training every three (3) years as approved by the MDE and confirmed by the Association that minimally includes all of the following:
 - a. A clear and consistent set of evaluation criteria.
 - b. Clear expectations for what evaluators should look for when assessing teacher performance.
 - c. Training on the evaluation process itself, including how to conduct classroom observations, collect data, and analyze results.
 - d. Calibration exercises that help evaluators practice using the evaluation criteria and establish consistency in the evaluator’s evaluations.
 - e. Ongoing support for evaluators, including feedback from administrators and Association designated bargaining unit members to help them improve their skills and ensure they are consistently applying the evaluation criteria.

ARTICLE XII. Mentor Teacher

- A. A Mentor Teacher shall be defined as a Master Teacher as identified in Section 1526 of the School Code and shall perform the duties of a Master Teacher as specified in the School Code and State Administrative Rules and Regulations. The Mentor Teacher shall be a tenured member of the bargaining unit.
- B. Each bargaining unit member new to teaching and in their first three (3) years in the classroom shall be assigned a Mentor Teacher by the Administration. The Mentor Teacher shall be available to provide professional support, instruction, and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources, and information in a collegial fashion.
- C. Mentor Teacher shall be assigned in accordance with the following:
 1. Participation as a Mentor Teacher shall be voluntary.
 2. Mentor Teachers shall be matched with Mentees who work in the same building.
 3. Mentee shall only be assigned to one (1) Mentor Teacher at a time.
 4. The Mentor Teacher assignment shall be for one (1) academic year subject to review by the Mentor Teacher and Mentee after six (6) months from the start of the assignment. The appointment may be renewed in succeeding academic years.
 5. Should either the Mentor Teacher or the Mentee present cause to dissolve the relationship subsequent to the initial six (6) months, the administration will meet with the Mentor Teacher and the Mentee to determine an appropriate course of action.
- D. Because the purpose of the Mentor/Mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward quality instruction, the Board and the Association agree that aspects of the relationship shall be confidential and shall not, in any manner, be a matter included in the evaluation of the Mentor Teacher or Mentee. Neither the Mentor Teacher nor the Mentee shall be permitted to participate in any matter related to the evaluation, including a plan of improvement, of the other. Further, the Mentor Teacher shall not be called as a witness in any grievance or hearing involving the Mentee nor shall the Mentee be called as a witness in any grievance or hearing involving the Mentor Teacher, where such grievance or hearing involves the character of professional services.
- E. Upon request, the Administration shall provide up to five (5) days of release time so the Mentor Teacher may work with the Mentee in their assignment during the regular workday. Where possible, the Mentor Teacher and the Mentee shall be assigned common preparation time.
- F. Mentees shall be provided with a minimum of fifteen (15) days of professional development instruction during their first three (3) years of classroom teaching. Professional development shall be scheduled on

regular workdays and/or with the two-week periods preceding and following the work year.

- G. A Mentor Teacher shall receive an annual compensation of \$400.00.
- H. Performance responsibilities of a mentor teacher shall include but not be limited to: Work to establish a relationship with mentee based on mutual trust, respect and collegiality; provide encouragement, support, guidance and feedback when needed; help mentee feel welcomed and valued; take part in training to enhance teaching and mentoring skills; complete periodic evaluations of Mentor-Mentee program, as requested; contact mentees, minimally once a week, for formal or informal meetings; facilitate the professional development of the mentee through appropriate in-service and staff development opportunities; help mentee learn about resources, procedures, curriculum, students' needs, building and district policies, regulations and schedules; promote a smooth transition between teacher training and the actual classroom setting; facilitate three-way conferences involving the mentor, mentee and principal; provide opportunities for mentee to observe the mentor and other teachers; share new and alternative materials, methods and resources with mentee; observe mentee's teaching in a classroom setting; conduct pre and post observation conferences; and assist mentee with goal-setting.

ARTICLE XIII. Qualifications and Assignments

- A. Certification
 - 1. Certified and qualified shall be defined as having a current Michigan teaching certificate with the necessary endorsements as determined by the Michigan Department of Education for the grade level and course(s) taught.
 - a. W.S.I. certification shall be required for physical education in grades 7-12.
 - b. For Non-Teaching Professional Staff certified and qualified shall be defined as having current Michigan certificates and approvals for the position to which they are assigned.
 - 2. Bargaining unit members shall provide written notice to the Board of any change to their certificates, licenses, endorsements or approvals after the original filing of same with the District. This shall include notice of any additional endorsements, certificates, renewals, approvals, as well as expirations, revocations and any limitations thereon.
- B. The Board will also continue its practice of employing only substitutes who qualify under state law for substitute teaching.
- C. In cases where the Board varies from its normal practice with respect to the standard certification requirement, the Association will be given written notice of the teacher employed. The Association will be provided written notification if substitutes are employed who do not have the minimum certification under law or when substitutes are employed for more than one hundred fifty (150) consecutive working days.
- D. Bargaining unit members will be notified of their assignments for the following school year by June 25.
 - 1. Changes beyond that date may be made in case of emergency, which shall include lack of available classrooms, inadequate financial resources, patterns of increasing or declining enrollment that are unexpected, or a lack of qualified personnel.
 - 2. Bargaining unit members will be notified of a change in assignment at the earliest possible date.
 - 3. If an assignment change is made after August 1, up to twelve (12) hours preparation time at the seminar rate will be provided prior to the beginning of the bargaining unit member's work year, or two (2) days released time, if appropriate. Appropriate support services shall be provided by the Board for the affected bargaining unit member. If a change is made during the school year, the same preparation time or two [2] days release time will be provided.
 - 4. The bargaining unit member may accept the assignment or may resign their position in the District without prejudice of any type.
 - 5. If a bargaining unit member is required to change buildings or classrooms as a result of their assignment, the District will provide all resources for moving supplies and materials. The District will transport from the former building/classroom to the new building/classroom all supplies and materials. The District will also transport non-District property if it is boxed (where practical) and clearly labeled by the teacher including the new building and classroom identification.

ARTICLE XIV. Shared Teaching Assignments

A bargaining unit member refusing an offer of recall to a position for which the bargaining unit member is adequately certified and most qualified per section A, 2, of this article, and which is equivalent to the one from which they were laid off shall be deemed a resignation and shall result in forfeiture of the further right of recall. The only exemption from this shall be if the bargaining unit member is under contract with a different Michigan School District at the time of recall. In such case, the bargaining unit member shall be given 4 weeks before reporting for duty. Should the bargaining unit member refuse that option, they shall be deemed to have resigned as set forth above.

The Board may require that the bargaining unit member obtain subsequent re-certifications on a reasonable basis.

APPENDIX B: Extra-Duty Positions and Salaries

A. Extra-duty payments shall be spread evenly over the 10-month pay plan chosen as outlined in Article XVIII and made as follows:

1. Recommendation for Appendix B positions must be presented to the member prior to the final day of school or within 10 calendar days of the position being assigned.
2. The District shall pay in the first pay of the school year, those extra-duty positions for which documentation has been signed by the appropriate administrator and employee and which are received in the Human Resource Office by July 15.
 - a. Percentage rated positions are based on years of experience in the activity within HPS and are applied to the bargaining unit member's degree track on Appendix A. [For example, teacher on salary step 10 and MA+20 degree lane, who will be coaching golf for the 5th year, would be compensated at 7% of the step 5, MA+20 lane salary amount]

APPENDIX D: Letters of Agreement

Letter of Agreement

Between

Holt Public Schools

and

The Holt Educational Association/ICEA/MEA/NEA

Re: LCC Courses Taught at Holt Public Schools

During the bargaining for a new 2014 Master Agreement, the parties discussed the fact that “on-site, dual-enrollment” Lansing Community College (LCC) courses will be taught again during the 2014-2017, 2017-2022 school years. The parties have agreed to extend this Letter of Agreement for the 2024-2027 school years.

The goal for the Board and the Association is to have each such course taught by an HEA bargaining unit member. However, LCC’s contract with the District provides that if an LCC course is not taught solely by an HEA bargaining unit member, then such a bargaining unit member shall be a functional part of the classroom at all times that such a course is being taught by an LCC instructor who is not an HEA bargaining unit member.

The assignment of an HEA member to an LCC course classroom during instructional hours shall be considered work time under the Master Agreement and shall count as two class periods toward the FTE of the HEA member for purposes of calculating salary and all benefits including insurance and leave days.

This Letter of Agreement reflects the discussion between parties related to the previously bargained 2024-2025 Dimondale Elementary “Bond” calendar, as well as concerns with the classroom temperatures in that building due to the earlier-than-normal start date. With a very tight timeline relating to asbestos abatement, an earlier-than-normal start date, the need for staff to get in buildings to ready their spaces for students, and the likelihood of higher than normal classroom temperatures, both parties agree to the following:

- The first instructional day with students will be Wednesday, August 7th.
- The Professional Development day scheduled on August 20th will be exchanged with August 6th (the previously bargained first instructional day with students).
- Tuesday, August 20th will be an instructional day at Dimondale Elementary ONLY.

Note: This calendar change is for the 2024-2025 Dimondale Elementary calendar ONLY, and no other school calendars will be affected.
